Once you reach the avenues around the historical center, follow the indications for "Ospedale Rizzoli". If you are coming from the east, you need to reach Porta San Mamolo and there take Via San Mamolo in a southward direction (going away from the city center). Then take Via Castiglione and continue straight ahead. Via Castiglione then becomes Via Di Barbiano. There follow the indications for "Centro di Ricerca". When you get there, there is a pay parking lot available behind the Congress Center.</div> <div>BY TRAIN: as you leave the railway station, you must take the Shuttle Bus "C" departing from Via XX Settembre (the stop is in front of the bus station) every 10-11 minutes (depending on time of day) beginning at 7.05 a.m. Travel time from the bus station to the Research Center is around 22 minutes. The Shuttle Bus "C" has a ticket-dispensing machine on board for the fare.</div>
