

REGISTRATION FEE

€ 97,60 (VAT included)

€ 73,20 Euro (VAT included) for SICSeG, EUSSER and ISPO members
CLOSED-NUMBER COURSE RESERVED FOR 80 PARTICIPANTS

VIDEOCONFERENCE

Through collaboration with *Multisala Network* participants will be able to follow and intervene directly from classrooms in Italy connected in videoconferencing. The available classrooms will be assigned until the number of registrations is filled, so it is vital to book online no later than 30 October 2015 or, based on availability, through the form provided at the page <http://www.multisalanetwork.it/ilgomitodelbambino>. Available classroom places will be assigned on a first-come-first-served basis, so we suggest you book immediately and not wait until the last days, risking to find no places available. Participants in the event will be entitled to ECM credits for the categories indicated in the program.

ECM TRAINING CREDITS

The course is being ECM-accredited by the Health Ministry for the following disciplines: Surgeons, Orthopedists, Physiatrists, Physiotherapists, Orthotists, and Occupational Therapists. Enrolments are therefore closed and will be assigned in chronological order of requests to the Organizing Secretariat until all places are filled.

HOW TO REACH THE HOSPITAL

BY CAR: From the east: drive to Porta San Mamolo and turn south on Via San Mamolo. Take Via A. Codivilla to Piazzale G. Bacchelli and Via G.C. Pupilli. From the west: drive to Porta Castiglione and turn south on Via Castiglione. Take Via Putti to the right and after a climb of a few hundred meters you reach Piazzale G. Bacchelli and Via G.C. Pupilli.

BY TRAIN: The 30 bus line connects the railroad station to Rizzoli Hospital on Via G.C. Pupilli 1 (the stop is on Piazzale G. Bacchelli, a short distance from the entrance). Purchase tickets in advance at Tper outlets or tobacco shops.
